11. Cynthia Cummings-Birch

a 501 (c) (3) nonprofit, thanks our local business sponsors for their steadfast support of community-made art. See their locations (green dots) on the tour map.

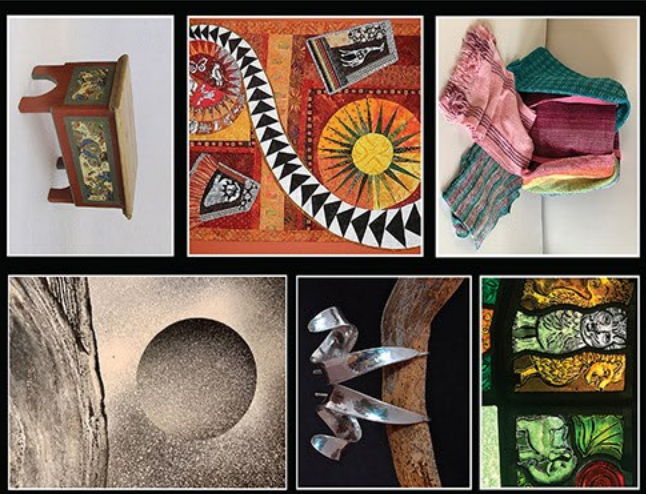

Featured Bruce Peck teaching students from Kiodaham International School about use of art from paper he had previously made in Cozzano, Italy. VNBH sponsors the program. Photo by: Eileen Ferara. Photo credit: Eileen Ferara. Permission to use granted by Eileen Ferara. Photo credit: Eileen Ferara.

Founded in 2005, VNBH exists to promote the arts and enrich community life. Education is at the heart of our mission, and The Open Studio Tour - whereby artists discuss their work and demonstrate how it is produced - is our longest running and most successful educational effort.
